Dear US OIG,

Please be advised: Today, I filed attached action to California Department of Social Services in my appeal of state action case. It serves also as further information but joinder incident acts for complaint relevant to matter of my Internal Affairs Complaint faxed to your attention recently (04122021).

Also, last week I emailed to your National Security Director information of the initiation of this case (due to curious, sudden, technical facsimile limitations, I do not have your email address. Please reference from him, and please coordinate effectively and Constitutionally!

Lastly, I am receiving only silence unbelievably, but a conspicuous agent once more assaulted me today with more illegal harassment (as a recurring pattern of escalation, post action, betraying reactionary Misconduct which I demand CEASE -- I plan to continue corresponding with intent to Justly deter and rectify, persisting against illegal obstructions, as I am able under these harassed circumstances causing damages, concerning this!). See posted blogs of actions at my website.

[This is recent with corrections of sabotage, I (as per past action) have continually been experiencing malicious intrusion and tampering while typing by hackers from remote terminals over networks with intent to fabricate incrimination. Previous was recorded and tampered to misrepresent for transfer/transmission -- a recurring, harassing problem disrupting my life! I have attempted this one fax since yesterday evening, have been up all night, and there have been pernicious attacks of hacking interference the whole time. Be advised: these evince also that there has been rerouting/transmission tampering to sabotage and falsify my transmissions per continuous acts of record tampering/racketeering conjunct with constant/obsessive/accumulative and General electronic surveillance/espionage in Conspiracy of Loophole Insurrectionist, Occultic-Organized Crime Enemies and which saturate multiple agencies subject to my Informations! and this is Malicious Retaliation!]

AV Records at *JCTF vs SAC City et al. Playlist and *AV Evident JCTF vs SACDHA 10282020 and 10302020, and 5. Audio Phone Records at *2019Thru2020Phn Recd JCTF vs SACDHA and *190721 Thru 19908 Audio Privacy Recd JCTF vs SACDHA [Also Relevant (for judgment) as to Motive for said incident]

Also, I, hereby, formally Compel Discovery to include (to be delivered by said D.S.S.): 1. All investigation documents mentioning client which are possessed DHA and/or D.S.S. in relations to 2. Record of all Comments or Representations attached to said client's case file; 3. Notification of any so-called sealed (or otherwise access-limited) (allegedly) documents mentioning said client also possessed by either or both said agencies.

Declaration In Support

Whereas, (as previously asserted) during a time proven to be deceptively Arbitrary, Capricious, Overtly, while said agency has betrayed Malicious Motive against client's (Fundamental Rights of) Life, Limb, Liberty and Property and Intent of Foul Play Conspiracy (in Retaliation to his Just Accusations), client is Reasonably unable to Trust in Lawful Fairness of Venue at its locations of controlled function-space or by Telecommunicated proceeding scheduled. [See AV Records: 210215... and 210216... at JCTF vs SAC City et al. Playlist link on Homepage at www.660ip.wordpress.com.]

Whereas, said client has been Exigently Overburdened by Incalculably Extreme Damages caused by Procedural Harassments by Abuse of Process (as previously asserted in Complaint), via telephone, of Time-Waste, Delay and Monetary costs (of phone operation, and while indigent without income) and therefore, said client is too Overburdened by joined acts for costs of telephone interview procedure; he cannot afford any more of such costs imposed by either or whereas, client is too overburdened by joined acts of Legal Harassments (per past assertions of Conspiracy to Commit...) to currently research authorities at issue, yet certainly they do exist.

Whereas, Certainly Venue is bound to full disclosure of Discovery pursuant to Rule of Law and Legal Justice at issue. If Whereas, Sarah Russell (by my experiences in self-reasoned influence) was extremely suspicious by her Misconduct (as recorded) as "ombudsman." Whereas, it has proven that Co-Officer-Organized-Crime Business (as previously asserted) have incessantly Harassed system against This Innocent Witness; and 2. All manner of Foul Play and Racketeering in Conspiracy to Commit, against same Innocent witness in Retaliation.

Whereas, it has proven (although government has guiltily false - denied
obstinately) - yet I persist with, called upon Just Corroboration 3, , in direct acts
of same Conspiracy (include those of Collusion with Infiltration within Actually
all Agencies with which client has ever dealt (and CERTAINLY by client's
experience to NOT BE PREJUDICED with continued PARTIALITY, IN CONVICTION).
[And this, by Court Experience. And there of tobacco and the DMH of incident
have been the worst comparisons ever, and since client's ACTUAL Honourable Discharge
from APR in 2002 (when, simultaneously they forfeited their contract with client by
Hundred VIOLENT violations in 2007 Absolutely). But records were tampered to conceal child
Crimes and there were results APR has refused to cooperate with rectifying in Illegal Conspiracy.
Whereas, almost two decades ago, I first met one Daniel Russo (of N. Canton, OH -- as appeared later
suspense) as a new visitor to an institution named Faith Bible Church (openly appearing as a
piously, Christian church. [Whereas, client previously became accepted as a member of same, during
institution associated with sincere intentions (contemporarily approving its statement of faith and properly stated
which did not mention leadership's hetericism, but knowing that matured amongst options for obedience, in
obedience to my Lord, within the Cyprian-satanical, saturated manner of a stark, could, on) with sincere intentions on
a True-Believing Judeo-Christian (and with such conversation in my life) in Reformed Relations as to the
True Lord, Jesus Christ as His Disciple -- and they (the rest of its congregation) targeted, as denigrating of
ful and deviously underhanded oppressors as evil, and, impostor did up and force and "force" and as
"false-shepherds" and "sheep turned to wolves, client's person Ritualized daily in secret.
Whereas, approximately three years subsequently, by group, I CERTAINLY REALIZED: church institution open-
and also, by rest of its body members, who were not disciples of Christ (but manipulative purposes), leading by
a most diabolical (blatantly) "Heresy" (which the subtle, of its surreptitious distinction from
to my disappointment, proved to be) of the Current Great Apostasy. [Whereas, client, for, misled in work,
separated from out of record. [Whereas, furthermore, client has CERTAINLY discovered that Church of
Satan High Priest, Brian Warner (a local to region's secret spy network), and client's relative, Michael
Horton of schismatic Association of out of record (of the Heretical Church) who both amongst network of
"Reformed Theology" with its Shepherd's Conference of one John (Puckett) who both amongst and involved with
Occult-organ and Crime Enemies of prohibition and directly, and obsessively connected and involved with
Past institution of record in same Protected Conspiracy. [And I am a 50 year old Adult, ELDER,
OLD-MAN. [Whereas, shortly after first acquaintance as aforesaid: 1. Daniel Russo, as a visitor in
in company with one Branch Family that were members of Church aforesaid as "church-family"
to accept Russo's offer, he kept persisting; and, also, one Barn
to accept Russo's offer, he kept persisting; and, also, one Barn
to accept Russo's offer, he kept persisting; and, also, one Barn

Horizons of schismatic Association of cult operators (of the "Reformed Theology" with its Shepherd's Conference of one John [redacted]) who both amongst network of occult-organ and Crime Enemies of [redacted] and directly, and obsessively connected and involved with cult institution of [redacted] in same Protracted Conspiracy. [And I am a 50 year-old Adult, ELDER, OLD-MAN.] [redacted] Whereas, shortly after first acquaintance as aforesaid: 1. Daniel Russo, as visitor on friendship with one Branch Family, that were members of church aforesaid as "church-family" Client had kept company with, offered Client a boarding room in his house. [redacted] Although Client, for a long time, was amenable to accept Russo's offer, he kept persisting; and, also, one Beth Branch persistently persisted to press upon Client to accept since "the cohabitation would be mutually beneficial (post Russo's recent divorce) to assist each others' split-family parenting vacations." [redacted] Whereas, after a number of months, accepting Russo's offer, Client, by endeavor, realized: 1. Russo was Italian-American Mafia with his family who owned and operated a cement company as a legitimate business front; 2. Daniel Branch was a post-soldier association fronting as a grocer while his wife handled narcotics fronting as a really known newspaper deliverer; and 3. Russo's offer was only, actually, typical Mafioso Operandi of Mafiosos in Criminal Conspiracy Plot of Foul Play; and 4. Russo family is directly involved (related to) Petrucci Family who are step-family of my deceased grandfather, Bruno [redacted] Hydrik (Eddie Hydrik's [redacted] amongst [redacted] father (brother of [redacted] biological mother who is disowned by Client [redacted] for Justly Biblical causes). [redacted] Whereas, said Conspiracy has actually been conducted (and protracted) since my birth Ritualistically, by an Occultic-organized Crime Network (of which rest of Client's family are members) and is a secreted matter of the (ACTUALLY) Crypto-satanic Vatican of the Current Great Apostasy (as the current seat of Satan) with its multitude of mad interests including human sacrifice (since an angel restrained Client's unqualified "birth-mother" delivered at birth). [redacted] Whereas, these above, along with Horizons of Lackland AFB TX, actually were involved rolling in jointed acts of same Conspiracy aforesaid, at 910th ALW, AFR during my enlistment. [redacted] Wherefore, Rule of Law Doctrine presumptively outweighs favoring Demanded Procedure as aforesaid (while Client's severely suffering anomalously exigent circumstances aforesaid). Therefore, it is in the Interest of Justice that said procedural Demands of Client's attached Letter of Demand be practiced in this hearing matter.

Sincerely,
Jacob (James E. Horton)
